Question: Suggestions for improvement of training program/ changing course modules

The duration/days of training should be increased.

Submitted: 07 Oct 2026, 08:27 PM

Question: Suggestions for improvement of training program/ changing course modules

- Existing modules are too theoretical. More practical case studies of procurement, e.g., PPRA court cases, audit paras, should be added. - International best practices should be included - e.g., South Korea KONEPS model and Ukraine ProZorro model for e-p

Submitted: 06 Oct 2026, 10:38 PM

Question: Suggestions for improvement

All the lectures were delivered and explained in a simple yet pragmatic manner with statutory backing.The sessions were interactive, time bound,and highly relevant to the judicial procurement needs, being a relevant topic its duration should be extended ten to 14 days.

Submitted: 07 Oct 2026, 08:27 PM

Question: Suggestions for improvement

Overall facilities were v good..spokesperson were highly efficient

Submitted: 07 Oct 2026, 12:13 PM

Question: Suggestions for improvement

- Existing modules are too theoretical. More practical case studies of procurement, e.g., PPRA court cases, audit paras, should be added.
- International best practices should be included - e.g., South Korea KONEPS model and Ukraine ProZorro model for e-procurement and transparency.
- Shift from lecture to interactive - group work, mock procurement proceedings and role plays.
- Field visit to PPRA / AG Office / Model Court with green and clean procurement.
- Short modules of 30 minutes instead of long lectures.
- Regular feedback from participants for continuous improvement.

Submitted: 06 Oct 2026, 10:38 PM

Question: Suggestions for improvement

keep it up.

Submitted: 06 Oct 2026, 08:33 AM

Question: Suggestions for improvement

Preference shall be given to face to face lectures.

Submitted: 05 Oct 2026, 07:38 PM

Question: Suggestions for improvement

1. Each topic be associated with a short practical by each participant. 2.The resource person be asked to repeat the bullet points, important points at the end of each class. 3. Duration of each lecture be reduced to 1 hour.

Submitted: 05 Oct 2026, 07:27 PM

Question: Suggestions for improvement

The course content is very much interesting and important for our field so, I suggest that this may be continued for time to time as an orientation to learn more about this important topic

Submitted: 05 Oct 2026, 06:54 PM
